

Launch of District-Level Investment Facilitation Centres

Hon'ble Chief Minister, Dr. Mohan Yadav, launched District-Level Investment Facilitation Centres in the Gwalior and Chambal Divisions.

To streamline district-level investments, provide proper guidance to investors, and ensure timely execution and establishment of investment projects, Investment Facilitation Centres are being established at District collector's office across the state.

These centres aim to provide necessary support to investors in obtaining industry related permissions and licenses from different departments of the state. The centre will also provide information on local resources and industrial eco-system to the investors.

On the occasion of the Regional Industry Conclave- Gwalior held on 28th August 2024, the virtual inauguration of these centres in all eight districts of the Gwalior and Chambal divisions was done by the Hon'ble Chief Minister.

The districts where these centres have been launched are:

1. Gwalior
2. Morena
3. Bhind
4. Shivpuri
5. Sheopur
6. Datia
7. Ashoknagar
8. Guna

This initiative is expected to significantly boost local investment and economic growth by providing a more efficient and supportive environment for investors.
